Kendrick Stationers was established in 1948 by Howard & Dorothy Kendrick.

In 2014, Kendrick’s was sold to Louis Zemlick who also owns Zemlick Office Products in Kalamazoo.

In January of 2015 he then purchased Taylor’s Stationers in Coldwater.

We are in our **68th year** of providing office supplies to area businesses with many long term employees from both Kendrick’s and Taylor’s and we are looking forward to serving you for many years to come.

We are excited to be in our new building!

Stop in, say hi and check it out.
