The latest addition of indoor recreation to the Sturgis area is **Sturgis Indoor Golf.** With three HD TRUGOLF simulators and a warm-up and putting area, they can accommodate up to twelve golfers at a time. The TRUGOLF simulators feature the latest technology in indoor golf tracking. It's as close as it gets to playing real golf! You can play golf on over 90 courses throughout the world or just hit ball on a driving range and analyze your swing with our TRUTRAC software. They also offer winter leagues and lessons, and are capable of hosting special events and business meetings. Snacks and beverages are available for purchase and retail items as well. Call today to reserve a tee time. It's always sunny and seventy!
